

Say hello to smile simulation in Clarity™ Portal.

Show patients what's possible

Smile simulation in Clarity Portal is here share a glimpse into the possibilities of treating with Clarity™ Aligners, Clarity™ Digital Bonding or Filtek™ Matrix.

Get started by simply uploading a full face smiling photo with your next order in Clarity Portal.

Upload

Include a full face smiling photo when submitting your prescription.

Visualize

Simulation generated based on the Tx Design in Clarity Portal.

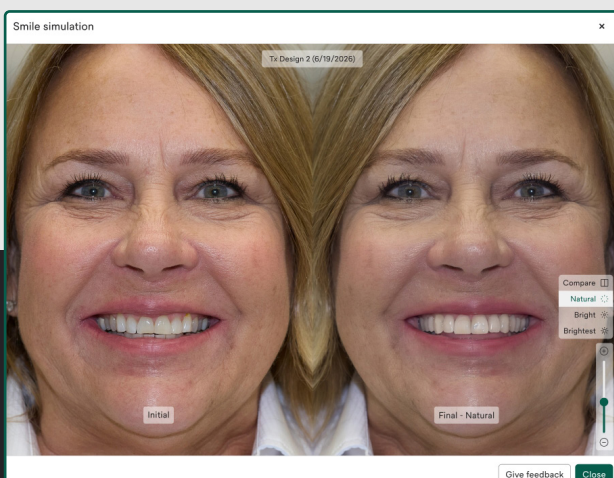

Connect

Communicate treatment plans with patients more visually.

Make it personal

Give your patients the confidence to take the next step in their treatment journey. Show the possibilities with a personalized smile simulation.

How it works

- 1 Log into Clarity™ Portal to start a new case
- 2 Upload a “Full Face Smiling” image with the order for Clarity™ Aligners, Clarity™ Digital Bonding or Filtek™ Matrix
- 3 Customized smile simulation will be delivered with the Tx Design and available to view in the Tx Designer viewer

Experience it for yourself in Clarity Portal
